## Education

Bsc.IT: ISMT (Kathmandu, tinkune)

University of Sunderland equivalent to T.U.

## Skills

- HTML/CSS/JavaScript
- WordPress
- Database Design/Management (Oracle SQL)
- Responsive/Bootstrap/Tailwind
- React.js/MUI/Redux
- Teamwork
- Strong troubleshooting abilities
- Effective communication skills
- Ability to work under pressure
- Nagios, network tools, devices and Fiber

## Summary

I've developed my communication skills and gained knowledge in network monitoring and troubleshooting.

I have a strong interest on **frontend** web development, with experience in HTML, CSS, and JavaScript. I'm currently focused on developing responsive designs using Bootstrap, tailwind, React.js, and MUI.

I quickly adapt to new task and surroundings, as demonstrated by my ability to handle real-time client interactions.

## Experience

**Kalash: L1 Corporate Support (Networking)**

Websurfer | Dhumbarai, Chabahal | 2023 – 2024

## Some Project Showcase
